Dear Parents,

Illinois law requires that all children in kindergarten, second, and sixth grades have an oral health examination. This requirement includes all public, private and parochial schools.

Enclosed please find a dental examination form to be filled out by a licensed dentist. The completed form must be returned to the school nurse's office before the May 15<sup>th</sup> state required deadline.

If you have any questions, please do not hesitate to contact me.

Thank you,

Rosemary Eichorst, R.N.
